

RELOCATE

MAKING MOVING EASY!

RELOCATE IS THE FASTEST GROWING AND MOST TRUSTED RELOCATION WEBSITE PORTAL IN THE UAE

Dubai, February 2016 – Making the right move for expats and UAE residents alike is now a click away with Relocate, the country's newest and fastest growing, independent relocation website portal. Relocate is a one-stop shop to source out the most efficient and affordable removal companies to ensure a hassle-free move.

Whether you are moving from abroad, or you are moving from your current location to another within the UAE, Relocate will help you find the perfect removal company at the most competitive prices.

For an easy and stress-free relocation, you simply log-in to the website (www.relocate.ae), specify your relocation requirements, and our list of licensed movers will be busy 'bidding' for your move. Within 24 hours, you will receive the 'bids' straight to your inbox, you then compare and make your selection - it's as easy as that!

You also have access to other clients' verified reviews and ratings, giving you peace of mind you have made the right choice - all through our user-friendly platform.

"We recognize the world is changing and the way people want to find information has evolved. Gone are the days of spending hours on the phone calling companies and comparing quotes. People want a fast, easy and effective way to find information and suppliers" said Angela Soudi, Director of Relocate, "We wanted to create an independent, easy to use, hassle-free and fun way to access the best relocation companies throughout the UAE, all in one place, at no cost."

Relocate is part of the reputed Be Unique Group based in Dubai, UAE.
