The Yellow Boats water sightseeing tours are synonymous with the ultimate daytime views of Dubai and Abu Dhabi. And now, they are heading to the dark side! Responding to strong customer feedback, the seven-year-old UAE institution has chosen the mystical month of October to run a week of brand new Night Tours.

The Yellow Boats Night Tours will run from Monday October 24 to Monday October 31 across both cities, embarking from dedicated departure points at Marina Walk in Dubai and Emirates Palace in Abu Dhabi.

The Dubai Night Tour will depart daily at 6pm, heading out from the glittering Dubai Marina as the sun goes down. The 90-minute trip then cruises around Palm Jumeirah, offering a glimpse of its luxurious villas and world-famous five-star hotels, including a unique front-row, fairytale view of Atlantis The Palm. Then, it's on to the Dubai's iconic seven-star Burj Al Arab, beautifully illuminated at dusk, with plenty of time for photo stops and interactive commentary from The Yellow Boats passionate skipper team.

The Abu Dhabi Night Tour will depart daily at 5.45pm. The 60-minute trip offers its crew a journey through the ever-changing city skyline and the many contrasting, must-see attractions the UAE capital has to offer - which are of course all the more magical by moonlight. This exciting and informative tour travels around Heritage Village and along the Abu Dhabi Corniche, stopping at the timeless Fisherman's Village and man-made Lulu Island, before cruising back to the beautiful Emirates Palace Marina.

The Yellow Boats Dubai Night Tours and The Yellow Boats Abu Dhabi Night Tours replicate the ticket structure of the multi award-winning company's much-loved daytime tours, with no price increase. With limited dates available in the approach to Halloween, it is advised to book early to avoid disappointment.
